Function of this clinic:

The Oral & Maxillofacial Surgery Department provides a full range of oral and maxillofacial surgical services

Special interests or sub-specialty clinics:

Who this service is provided to:

All patients referred by general medical/dental practitioners and specialists to the Department of Oral & Maxillofacial Surgery

How to make an appointment:

A referral must be sent in beforehand for assessment by the department's Staff Specialist, after which an appointment letter will be sent to the patient or the patient will be put on the department's waiting list.

Method of Referral:

Referral letter from medical/dental general practitioner/specialist

Consultants:

Associate Professor Geoff McKellar (Head of Department)
Dr Anne Collins (Staff Specialist)
Dr Peter Aquilina (Consultant Surgeon)
Dr Richard Conway (Consultant Surgeon)
Dr Richard Vickers (Consultant Surgeon)

Related Services:

Patients may be referred for any other necessary medical/surgical/dental services.

Transport, Parking, Access:

Access to the hospital is gained by bus from nearby areas, and by train (Westmead station is near the hospital); car-parking for patients is provided at the hospital for a fee; wheelchair access is available through the Westmead Centre for Oral Health entrance and the hospital's main entrance and via lifts to the various levels within the Centre for Oral Health.
